

The Missouri State Sporting Clays Association, Inc., MOSCA, is a nonprofit corporation of persons engaged in the promotion and education of clay target shooting sports, including safety and shotgun shooting in the disciplines of Sporting Clays, 5-Stand, COMPAK and F.I.T.A.S.C. target shooting in the State of Missouri.

Our Purpose is to:

1. Promote and encourage Sporting Clays shooting events as well as the other shotgun disciplines of 5-Stand, Compak, and FITASC
2. Improve shotgun shooting skills through education and training
3. Improve shooting safety through education and training in the proper handling and usage of shotgun firearms
4. Promote the right to keep and bear arms by personally demonstrating responsible gun ownership and usage
5. Increase the participation of individuals in shotgun shooting sports both competitively and recreational.
6. Promote the characteristics of honesty, fellowship, self discipline, and self reliance all essentials of good sportsmanship and patriotism
7. Increase membership and participation of clubs and competitions in shotgun shooting activities
8. Increase the awareness of the public on the human development benefits of clay target shooting
9. Invite and introduce non shooters to the benefits of clay target shooting
10. Promote the usage of the member clubs who provide the facilities for clay target shooting.
